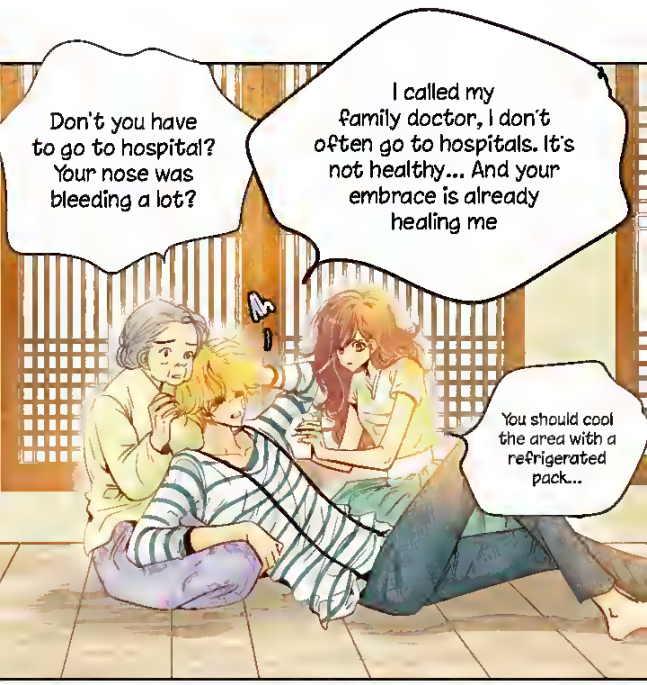
Aah ~ He touched Montrose's noble face!!! That's unforgivable!
You shoved your face at him...

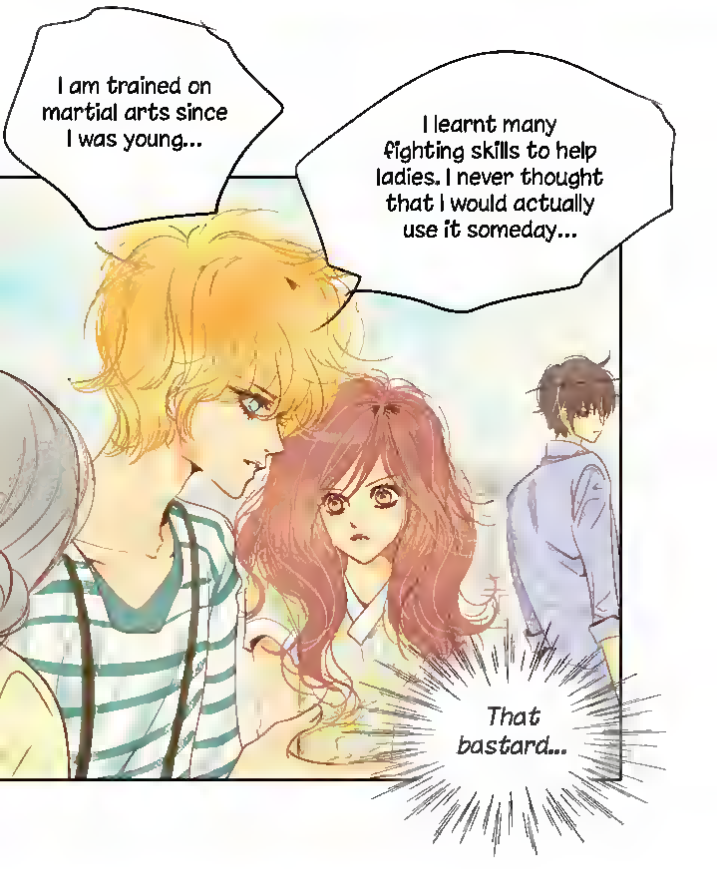


Don't you have to go to hospital? Your nose was bleeding a lot?
I called my family doctor, I don't often go to hospitals. It's not healthy... And your embrace is already healing me
You should cool the area with a refrigerated pack...

Thank you for what happened before.
?
Why are you thanking me...?

When that gangster was grabbing me from behind, you kicked him to let me loose
Huh?

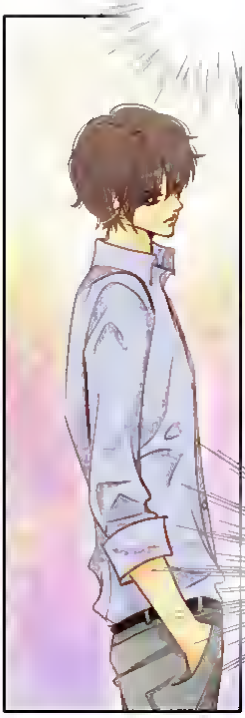
Oh my, you look weak, but that was not the case. You are a macho man. A macho man
...Ahahaha, well...



I am trained on martial arts since I was young...
I learnt many fighting skills to help ladies. I never thought that I would actually use it someday...
That bastard...

WINK
Do you know my heart?
He steals my thunder and has the audacity to wink at me?
But... what's with that expression...
I saved you, not him

Right...

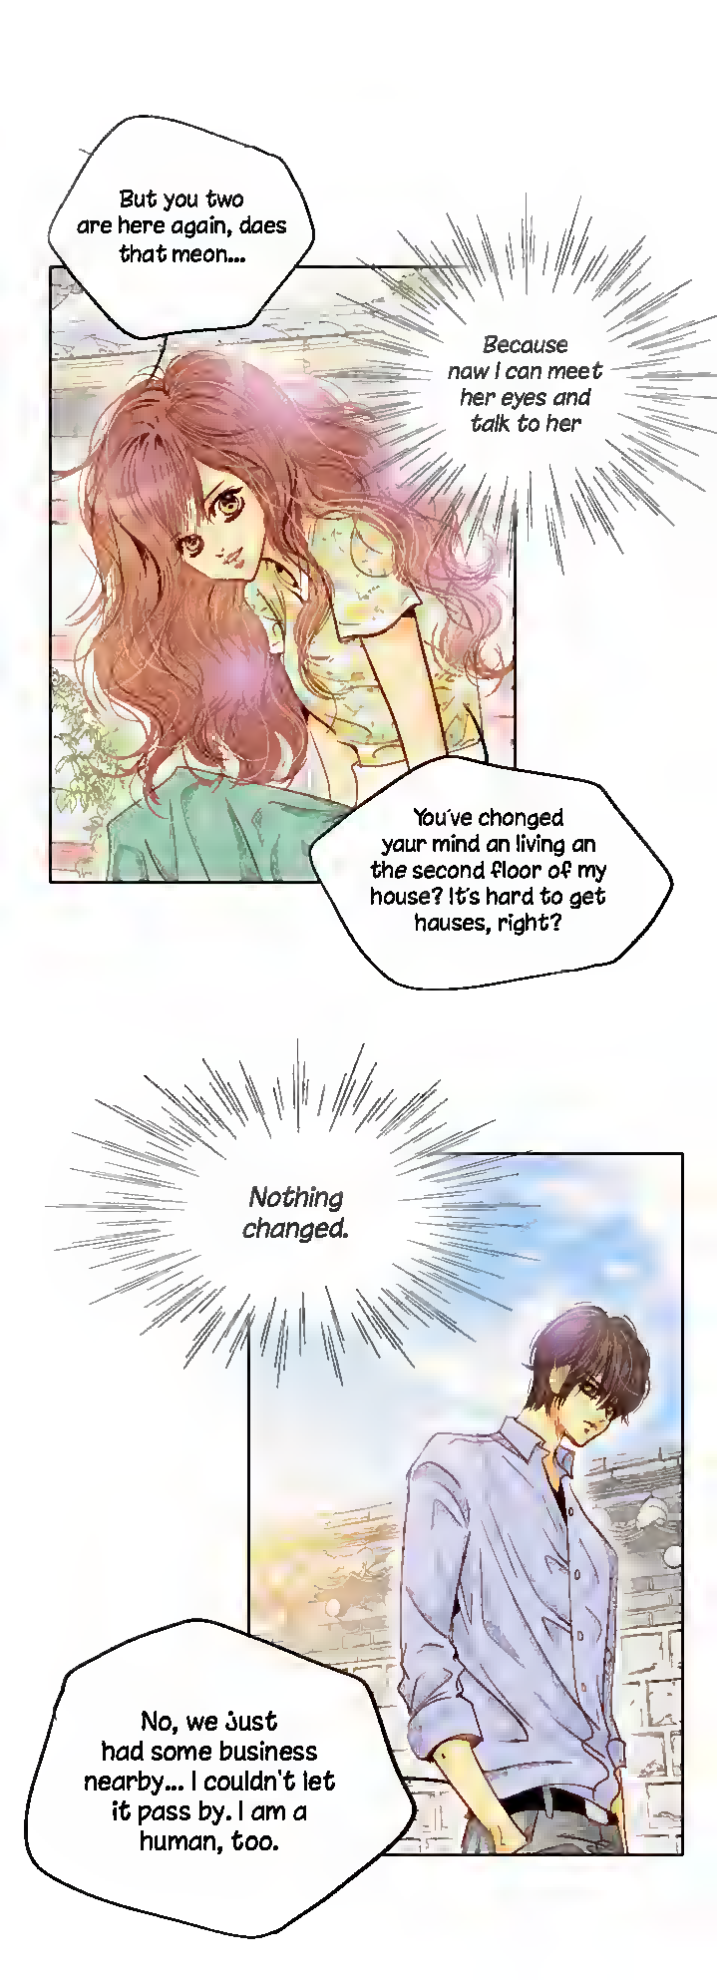


When have I been thanked by anybody...

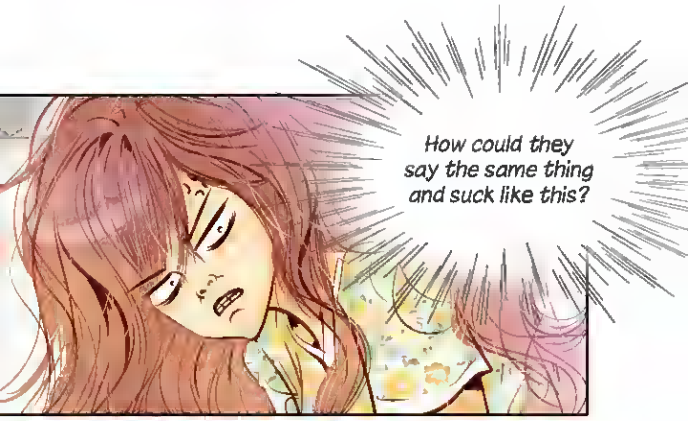
Whenever I saved her with my life on the line, I was always busy with escaping without letting her know my identity.

QG/N: Now I feel sad for Ryu T_T

Oh, student, ore you all right? You should be coreful on the rood
If he hadn't been around, it could hove been o disoster, student!
I never expected her to know obout it ond thank me.



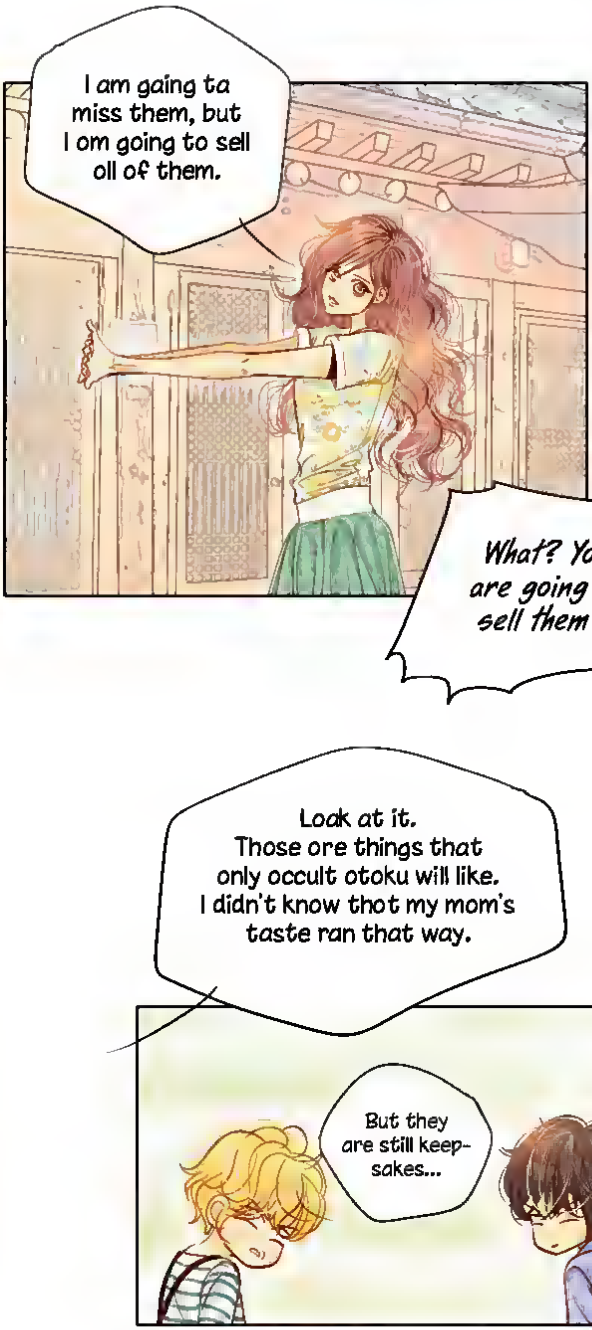
But you two are here again, does that mean...
Because now I can meet her eyes and talk to her
You've changed your mind on living on the second floor of my house? It's hard to get houses, right?
Nothing changed.
No, we just had some business nearby... I couldn't let it pass by. I am a human, too.



How could they say the same thing and suck like this?

But what is that? This stuff looks pretty old.
It's a keepsake of my Mom.

Ah... why would you put a keepsakes in a paper box like this...can't you put them in a proper box somewhere?
Wow, there are a lot of mysterious things!!!
rustle rustle



I am gaing ta miss them, but I om going to sell oll of them.
What? You are going to sell them?!
Loak at it. Those ore things that only occult otoku will like. I didn't know thot my mom's taste ran that way.
But they are still keep-sakes...

I am going to miss them... But it's more important to save the workshop... Mom would want me to do that.
Her acting is great and she is crying tears to convince them.

I am sorry, Mom... I can never get this stuff back...

Dong Myo flee market? You are really good at lying

I miss the times when we would sweep through Dong Myo flee market... but I really hate the reality where we have to sell memories....

If we move into this house, she doesn't have to sell them?

Oh no, you pushover....

Now, now, you haven't eaten lunch yet? I will cook you some pork belly. Let's eat while we talk a bit.

I am going to feed them and coax them with my crying act again.

Pork... Pork belly? I really wanted to eat them after seeing Korean tv drama

Kyack! Finally!

HEY, THAT'S NOT IMPORTANT NOW!

She still doesn't know that her mother was a witch?

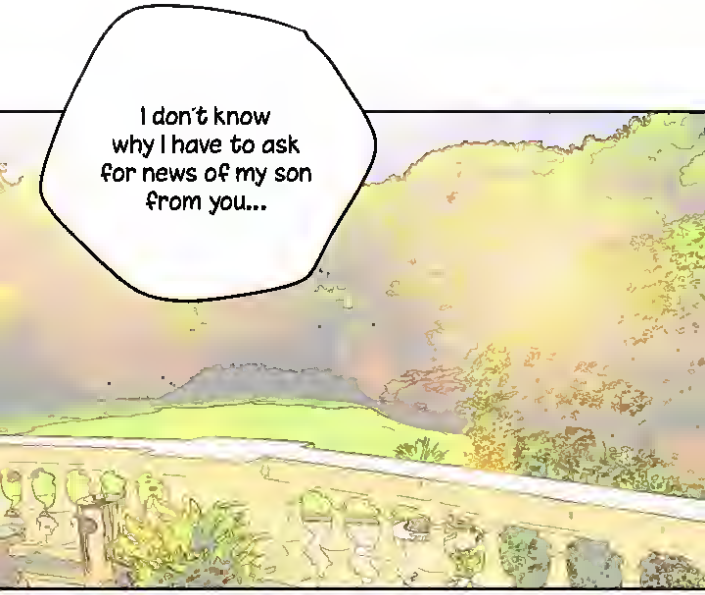
Doesn't it look like that? Anyway...

Then... that was not the magic of the witch

QC/N: This is so funny! xD

That means that the magic book called Dekan could be in there?
Uwa, right? If it's not there, she still could sell it later
whisper
whisper
Then shauld we buy everything with money? What if they are important magic tools...
whisper
whisper
What are we going to do with thase magic taals?! Thase can anly be used by a witch-

Grandma, they really look like a couple, right? They seem to have a lot of secrets...
So, first we have to find that magic book.
whisper
Yeah Yeah
whisper
When the blonde hair guy was hurt, he carried him and ran all the way home... he looked like he had been doing it quite a lot...?



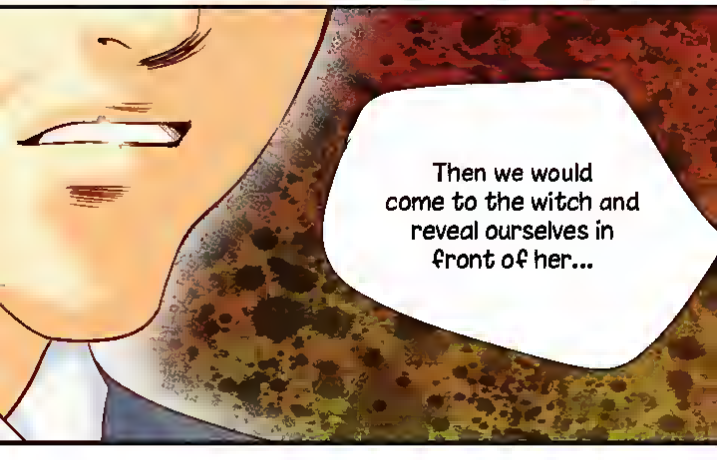
I don't know why I have to ask for news of my son from you...

They met Midan. He was introduced as the secretary of Allen...

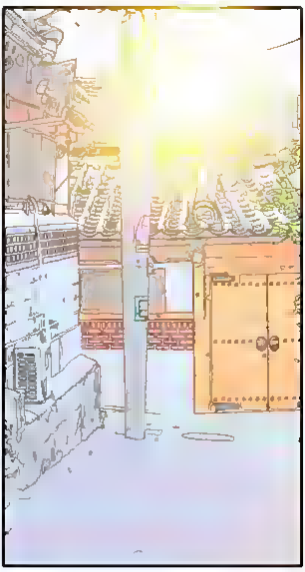
Anyway, since he was born, he was standing in front of a witch for the first time in his life.

I am a little worried... This is a dangerous time now.
My ancestors and I experienced this when they were young.
What do you mean... dangerous?

We always repeat the words that witches shouldn't know about our presence
We hide our true identity from the witches and only look at them behind their backs...



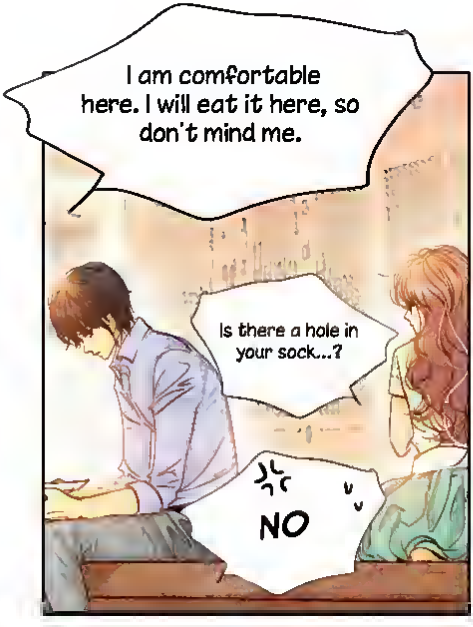
What do you think it's going to be like?



burn

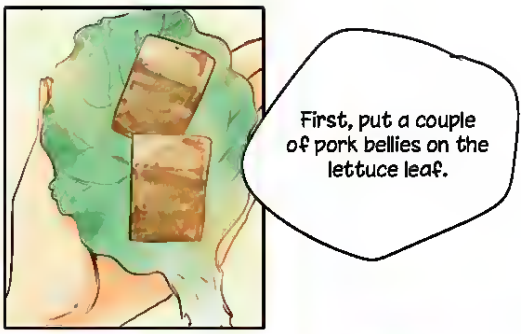
Wow, it's going to be delicious!
This is the pork belly!
I've always wanted to eat this when I saw the Korean tv drama

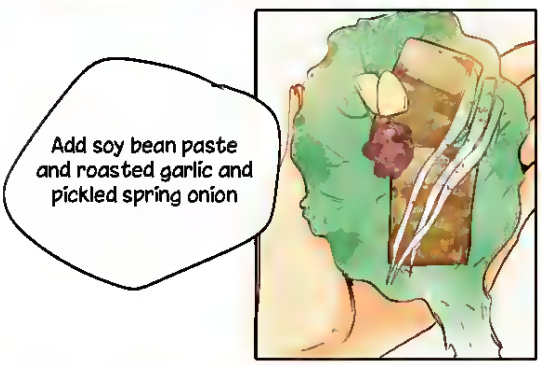
You should come up too and eat it comfortably
You should eat lots. Thereis a lot of meat
Right, Ryu, you didn't eat lunch yet.



I am comfortable here. I will eat it here, so don't mind me.
Is there a hole in your sock...?
NO

He must
be having some
mixed emotions
right now...



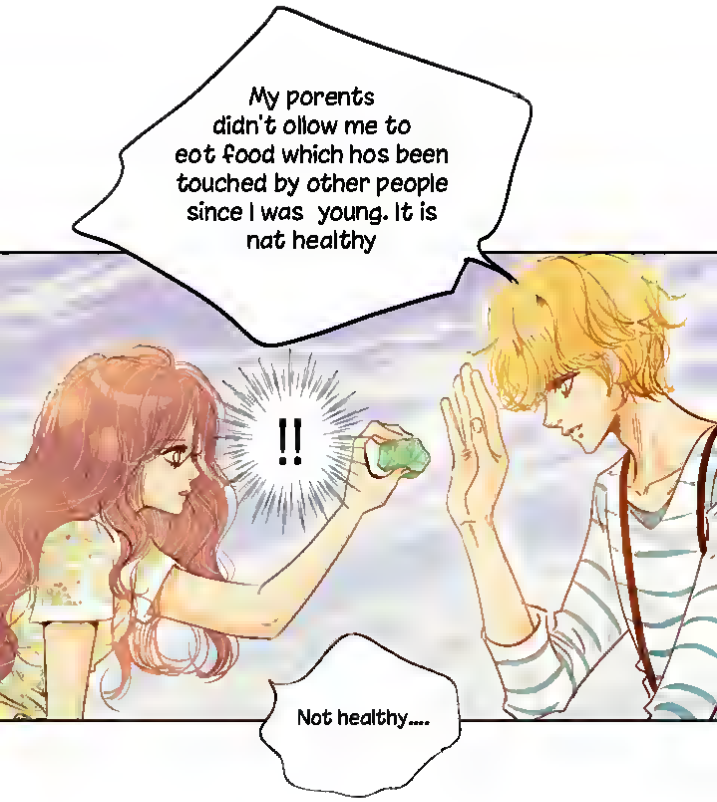


QC/N: Now I'm hungry~

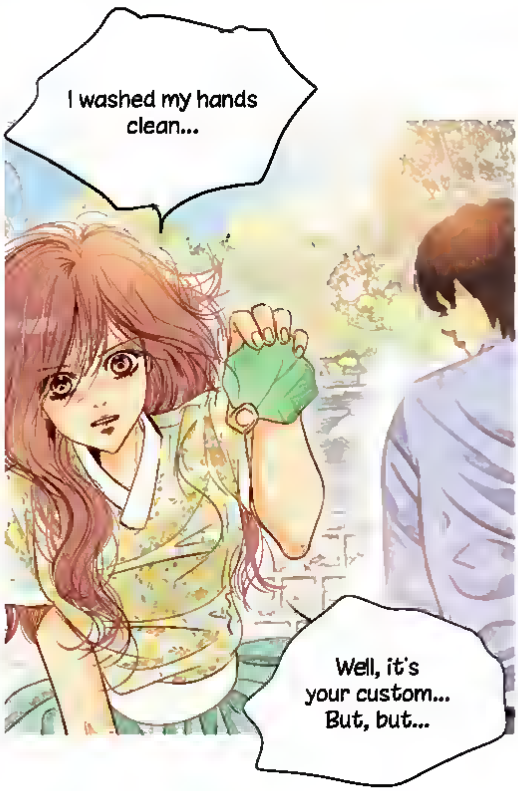
I really make good lettuce wraps. The ratio of soy bean paste, pork belly and pickled spring onions are magical! When you eat it, you can't forget it, so my nickname was Lettuce wrap queen. Lettuce wrap queen!
Her confidence in lettuce wrap is not common...

I am giving you this because you saved me
That is me

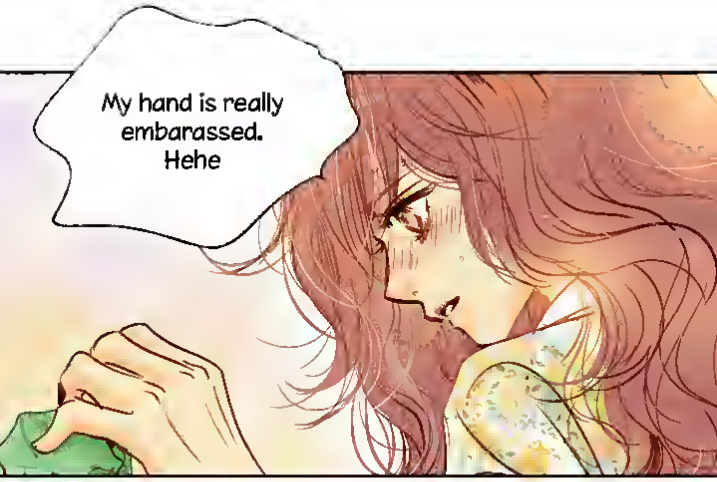
Now, come on
ah
Mm....
Ah, I am sorry, but it's okay.



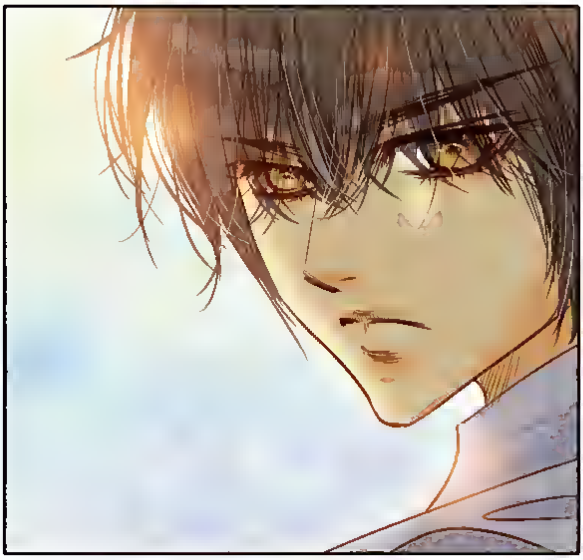
My porents didn't ollow me to eot food which hos been touched by other people since I was young. It is nat healthy
!!
Not healthy....



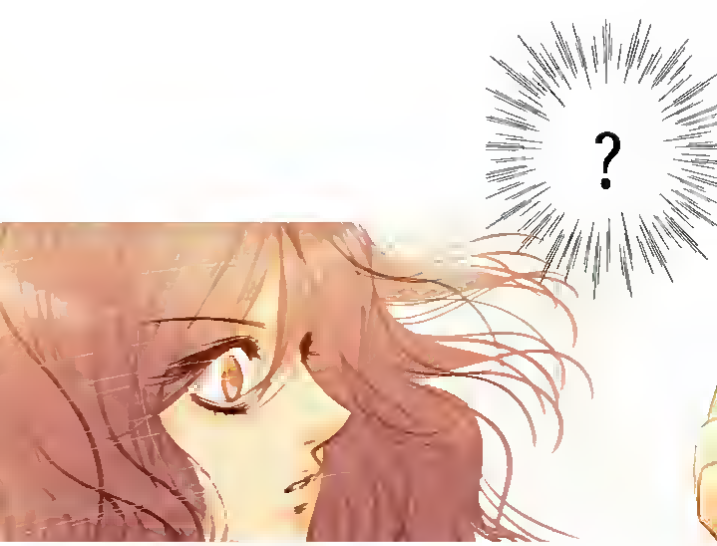
I washed my hands clean...
Well, it's your custom... But, but...



Probably he is...



Then I...
sfx: grab



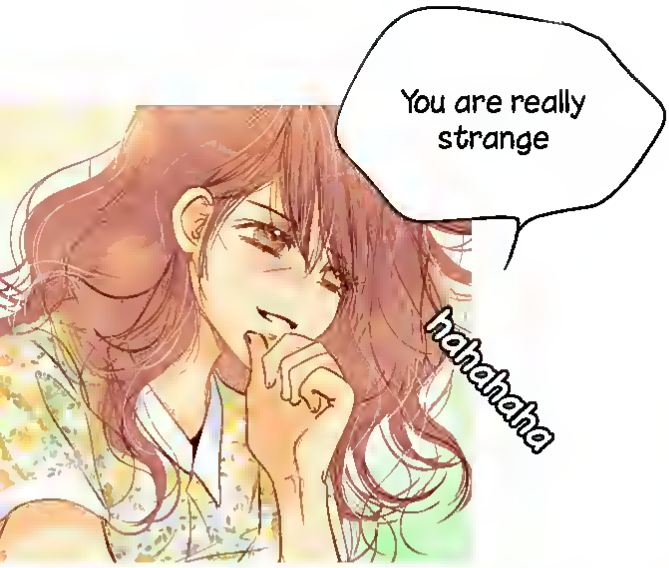
He might do something impulsive

Right I...
What did I do?
...?

You must have been really hungry...
Uwa... That, that is...
munch munch

LET GO

I AM SORRY. I WAS HUNGRY SO...
Then perhaps he is going to think like this.
HAHA!



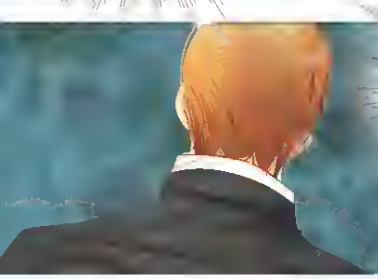
He daesn't want ta live as a shadaw wha is only following the witch araund

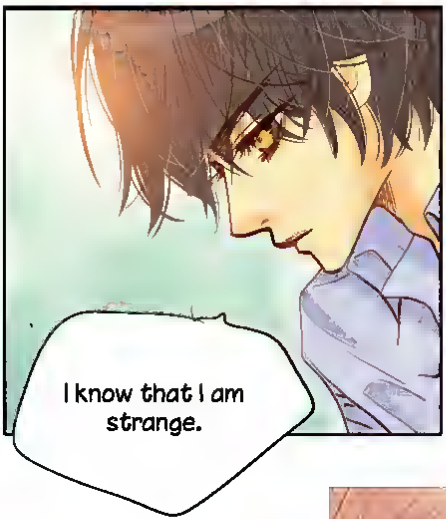
He wonts
to be o moin
character
in someone
else's life

Don't you
hear that you
two are strange
in England?

Of course he is smart

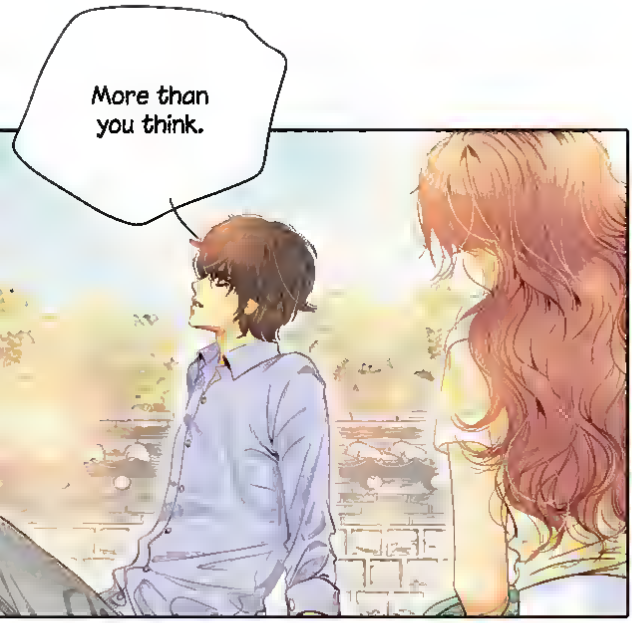
So even if he thinks like that for a moment, he is going to be rational again



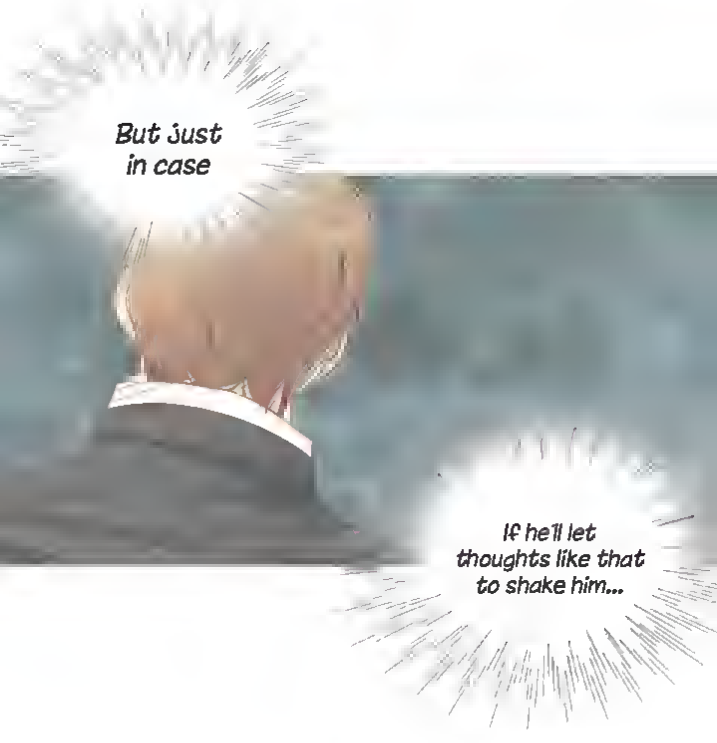


I know that I am strange.

No, Maybe...



More than you think.



But just in case
If he'll let thoughts like that to shake him...

I can be someone who is stranger than that.
At that time, the tragedy has started.
